

'YouX CAMPUS QUEST'

TERMS & CONDITIONS

YouX

TERMS AND CONDITIONS OF ENTRY FOR GOOSECHASE.

1. Method of Entry

To enter the 'YouX Campus Quest' competition, participants must follow the instructions provided on the Goosechase platform. Entry is open only to currently enrolled University of Adelaide students aged 18 years or over. Only one Goosechase account per team is permitted, and missions must be completed as outlined in the app. Unless otherwise specified, tasks must be performed on-campus or in designated areas. Submissions will be assessed for creativity, originality, and adherence to the brief. Bonus points or disqualifications may be applied at YouX's discretion.

2. Promotion Period

The competition opens at 9:00 AM (ACDT) on Monday, 28 July 2025 and closes at 11:59 PM (ACDT) on Friday, 1 August 2025. Entries submitted outside of this period will not be accepted.

3. Prizes

Prizes are valued in Australian dollars and reflect the recommended retail price at the time of publication. YouX and its partners accept no responsibility for changes in value. Random pop-up prizes may also be distributed during gameplay. Winners will be contacted by the email provided in the '*1. ID Importance – Email address*' mission. If the '*1. ID Importance – Email address*' mission is not completed, the student is unable to be contacted and therefore forfeits the prize. Students must also respond within the timeframe outlined in the winner notification. The timeframe may vary depending on the nature of the prize.

For team prizes involving vouchers, all prizes will be sent to the email provided in the '*1. ID Importance – Email address*' mission. It will be the responsibility of the recipient to distribute the prizes among the team. All voucher prizes are awarded up to the number of people on that team, with a maximum of five team members. For example, if a team of three wins, the prize will cover entry for three people, not five.

4. Eligibility

Participants must be currently enrolled University of Adelaide students and 18 years or older. Employees, board members, casual staff, and ambassadors of the University or YouX, as well as their immediate families, are not eligible to win prizes.

5. Judging and Winner Selection

Winners will be determined based on the total points earned and the quality of their submissions, including creativity, originality, and how well they meet the mission brief. All submissions will be reviewed by YouX, and YouX reserves the right to award bonus points or deduct points at its discretion. Final decisions, including any bonus points, deductions, or disqualifications, will be completed within seven days after the competition closes. Winners will be announced by Friday, 8

August 2025. Entries for the “Feat YouX” category must include a valid YouX membership number to be eligible.

6. Notification of Winners

Winners will be notified via the email provided in the ‘1. ID Importance – Email address’ mission. If the ‘1. ID Importance – Email address’ mission is not completed, the student is unable to be contacted and therefore forfeits the prize. Major prize winners may be announced on YouX social media channels. Ticket and voucher prizes will be delivered by email and must be claimed directly with the relevant vendor. Prizes are not redeemable for cash and cannot be transferred.

7. Claiming Prizes

Major prize winners must claim their prize within 14 days of notification. If unclaimed, the prize may be reassigned. Prizes such as vouchers or tickets may have shorter claim periods. Winners must provide valid student ID and proof of current enrolment to receive their prize.

8. Conditions of Entry

All prizes are non-transferable and must be used as specified. If a prize becomes unavailable for reasons beyond YouX’s control, a substitute of equal value may be provided. Participants must comply with the University of Adelaide Behaviour and Conduct Policy. Breaches may result in disqualification. Missions must be completed safely, during public access hours, and without entering restricted areas. Participants are responsible for their own safety and conduct throughout the competition.

9. Publicity and Content Use

By entering ‘YouX Campus Quest’, participants consent to YouX and its partners using their name, likeness, and submission content for promotional purposes, unless they opt out in writing at the time of entry. Submitted content may be used across YouX’s media platforms. Entrants must have the rights to any materials submitted. If you wish to opt out of future promotional use of images, please contact youxevents@adelaide.edu.au.

10. Liability

To the fullest extent permitted by law, all entrants release and indemnify YouX from and against any loss, damage, liability, cost, or expense arising from their participation in the promotion or acceptance of any prize, including (but not limited to) personal injury or property damage.
