Aiden informs council that there are two candidates for environment officer, however one person did not respond to the interview request, that this person sent an email to Edward Archer and CC'd Pres, same as Allen (HDR Candidate) who emailed the Presidents email account. Further stating that no other candidates are known of which is why this meeting was delayed until today, this has been previously explained 4 August 2025 meeting.

Aiden states that the person who did not respond shall have their application taken at face value, that that only position that must be considered is environment officer, and that other positions are just for acceptance or rejection due to singular applications submitted.

Aiden, then the council, thank Jannani for her work interviewing candidates with the President.

Jannani states that the three candidates that have replied to the interview invitation have had reports created about the interview that have been submitted to council prior. Janani expresses her regret for those that did not respond as she looked forward to discussing the role with them.

Aiden asks Janani to read out recommendations for the room and move the approval motion.
